

# XIC PARENTS WHATSAPP GROUPS ACADEMIC YEAR 2022/23

## Connect with other parents

The Whatsapp groups below have been created to allow parents to communicate with each other.

There are no real rules to the groups, other than to be kind and respectful and use them as intended – which is to exchange useful information and advice related to the school (and parenting kids in the Javea community) and to get to know each other as fellow parents.

Simply scan the relevant year with your phone to add yourself to the group. Any issues with the groups please email [foxic.xic@gmail.com](mailto:foxic.xic@gmail.com)

Not much happening in your group? Some years are chattier, or have more activity than others, why not jump in on yours and get things going?
